

WELCOME!

**Church of the Living God
114 Franklin Ave.
Winchester, Ky 40391**

We're so grateful that you've chosen to visit Church of the Living God today! We recognize that being in a new place, among new people, is a little bit like the first day of school all over again, so we're thankful you gave us a try! We hope and pray you feel the presence of God today and hear the good news about Jesus!

There are so many great churches in Clark County and we are privileged to partner with them to impact our community! Please take a moment to fill out a Connect Card, join our text list, or watch last week's message. If you don't have a home church, we'd love for you to consider partnering with us as we impact our region one person at a time!
